

Pediatric Orthopedic Surgery Missions

13-20 January 2018, La Chaîne de l'Espoir (CDE)

Information Sheet

Background

Founded in 1994 by Professor Alain Deloche and today chaired by Doctor Eric Cheysson, La Chaîne de l'Espoir (CDE, سلسلة الأمل) is a **public health non-profit organization committed to provide access to healthcare for the most vulnerable children** all over the world and help develop local healthcare systems. Each year, 100,000 children benefit from its healthcare programs (out of which 5,000 operations). In Jordan, La Chaîne de l'Espoir has developed since November 2012, a program providing **pediatric orthopedic and cardiac surgical services** for vulnerable refugee and Jordanian children performed by specialized teams. Funded by **European Union Humanitarian Aid (ECHO)** since April 2016, this program is implemented under the authority of the **Ministry of Health** of the Hashemite Kingdom of Jordan, with the collaboration of the **French Embassy** and a network of healthcare providers active in Jordan.

Upcoming Mission (13-20 January 2018)

Next mission for children with orthopedic pathologies is scheduled in Amman from 13-20 January 2018.

- **Pediatric ORTHOPEDIC surgery (lower limbs)**

A French team led by Dr Yan Lefèvre, Pediatric Orthopedic Surgeon in Bordeaux, France will provide consultations and surgeries for vulnerable children (Syrian, Jordanian...) at Al Maqased hospital in Amman

- Type of pathologies addressed: lower limb pathologies such as Developmental Dislocation of the Hip (DDH), recurrent dislocations of the patella, club foot, lower limb deformities, abnormal walking, etc.
- No factor of complication.
