OVERVIEW

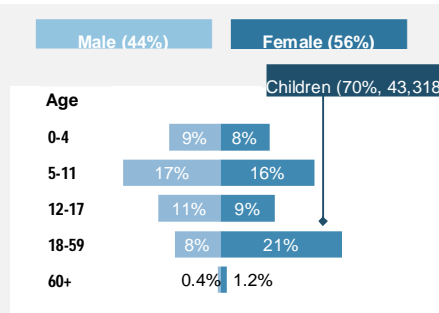

Jewi Refugee Camp was established on 15 March 2015 and hosts refugees relocated from Leitchuor and Nip Nip following floods that left refugees in both locations homeless. This led to establishment of the camp which offered home for refugees to settle and live in safety and dignity. Leitchuor was established in late January in 2014 and received refugees relocated from Ethiopian border entry points of Akobo, Pagak, Burbiey, Pochalla

Refugee population in Jewi Camp

A total of **62,030** persons of concern

As of 30 June 2018

RECENT DEVELOPMENTS

In order to enhance the community mobilization in Jewi camp, a training was arranged by Community-based Protection unit for selected members of refugee community and leadership structure as well as partners.
