Progress against Targets: Sector Priority Indicators

Key achievements

- By the end of 2018, USD 83,218,389 were provided as multi-purpose cash assistance to around 333,678 vulnerable individuals who live outside of camps under refugee pillar
- USD 31,341,600 were spent as Winterization support targeting 453,059 Syrians camps and host communities, Jordanians and ITS.
- More than 81,000 cases who live outside of camps have been identified for Winterization Assistance. 92% of these have already been assisted with four months of heating costs.
- Around 75% of the camp population received life saving basic needs support in camps that includes basic core relief items and replenishment/replacement kits.

Challenges faced during the reporting period

- Failure to meet sector's fund requirements under the refugee pillar in 2018 is the main challenge with 30% gap of fund.

Gaps and key priorities foreseen in the next quarter

◇ Gaps:

- Due to limited funding, the basic needs sector covered only 40% of the planned target with cash based intervention.
- 25% of the camp population were not covered with the life saving Basic Needs support in camps that includes basic core relief items and replenishment replacement kits

◇ Key Priorities :

- The Basic Needs sector will continue to advocate to secure the required budget needed to continue implementation of cash-based intervention activities in the urban context for next year.
