HIGHLIGHTS

During the reporting period, structured and sustained psycho-social support (PSS) and child protection programmes through individual and group PSS were extended to a total of 1,063 children, adolescents and youth, a slight decrease by 22% compared to the previous month. 155 governmental and non-governmental staff were training on child protection during the reporting period. 3RP partners continued to focus on prevention and response to SGBV incidents. 32 Syrians SGBV survivors (17 women, 12 girls, and three boys) were identified and received multi-sectorial response services. Community-led activities remain a key component in SGBV prevention and response. During the month of April, 128 Syrians (99 women, 21 girls, 7 boys and a man), approached UNHCR/CARE friendly space in 6th of October City.
