

Jardim Floresta

Boa Vista, Roraima State, Brazil

Lat. 2°49'48.63"N Long. 60°42'2.86"W

Summary

Economic instability and civil unrest have led to the displacement of Venezuelans to neighbouring countries, with more than 50,000 currently living in Brazil. This profile provides an overview of conditions in Jardim Floresta site. Population figures reported are based on registration data provided by UNHCR. Additional information collected through key informant interviews (KIIs) with actors working on the site has been used to support findings.

Site overview

of individuals: 598
 # of households: 200
 Date opened: 21/03/2018
 Planned capacity: 594

*Destination of flights: Manaus, São Paulo and Cuiabá.
 **Based on available data (554 individuals out of 598).

Endnote:
 1 Unaccompanied or separated child, based on UNHCR definition.
 2 Temporary document given to refugee status applicants while asylum claim is being analysed by local authorities.
 3 Under the "Mercosur Residency Agreement", Venezuelan nationals have the right to apply for temporary residency in Brazil, valid for two years.
 4 Cadastro de Pessoa Física (individual taxpayer registry identification).
 5 Carteira de Trabalho e Previdência Social is a document granting access to labour rights for workers in Brazil.
 6 Professional background based on International Standard Classification of Occupations (ISCO) created by the International Labour Organization (ILO).
 7 Programa de Interiorização (in Portuguese) is a government-led voluntary relocation programme, implemented with the support of UN agencies, that aims at facilitating the integration of Venezuelan asylum seekers and migrants in the Brazilian society and labour market. The programme includes transporting beneficiaries to other regions of the country and providing housing and support in their integration in host community and labour market.
