RECENT DEVELOPMENTS

- Joint latrine inventory was carried out by UNHCR, ARRA and DRC in August 2019. The preliminary assessment result shows household latrine coverage based on occupied houses stood at 24%. About 578 latrines are needed to be built to bridge the critical gap.
- Dignity kits distributed for women and girls under reproductive age (12-49 years).
- In collaboration with local Dimma TVET College, DRC provided a ten day food preparation training for 19 selected female refugees as part of women economic empowerment with the support of ECHO funding. As a startup capital all were provided in kind support and working spaces in the camp.
