### MODALITY

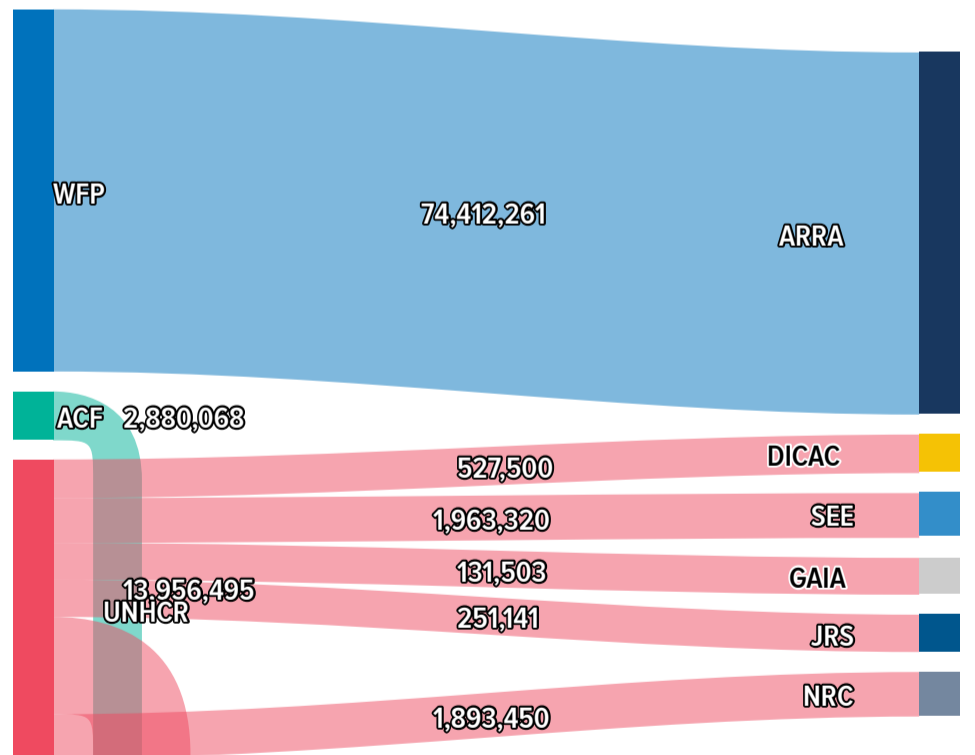

### DELIVERY MECHANISM

### CASH TRANSFER FLOW (ETB)

This graph shows the cash flow between the organizations receiving funds from donors and their implementing partners. Some organizations can perform direct implementation by playing the role of implementing partners with funds received from donors.

The above graph shows only values that are more than 5%, But all categories are reflected in the legend of the chart. Each percentage is made from the total amount of money spent on assistance during quarter (Q4).
