COVID – 19

☰ Proposed interventions for COVID-19 inspired from JRP:

1. **Health:** Provision of medical equipment and vehicles, maintenance and expansion of MoH facilities.
2. **Education:** Strengthening online education, building capacity of MoE in remote education maintenance, expansion of schools to absorb the increasing number of students.
3. **Social Protection Assistance:** Provision of food parcels, hygiene kits, and cash assistance.
4. **Livelihood:** Creation of Job opportunities, decent work environment, and support to small farmers .
