- Departure data is reported by camp management partners, or by other partners for self-managed sites
- Initial population is from the start of each month, and may therefore have discrepancies with reported departures.
- Data will continue to be adjusted as partners reconcile their data.

The boundaries and names shown and the designations used on this map do not imply official endorsement or acceptance by the United Nations.

Creation date: 17/01/2021 Source: 1) CCCM Camp Master List updated December 2020; 2) Camp closure status provided by CCCM situation reports; 3) Figures as of December 2020, except for camps marked closed or reclassified for which the population figures are as of the start of the month of closure;

\*\* Closure announced but has since been postponed or cancelled \*\*\*The settlement type for HTC and Zayouna has changed from "Camp" to "Informal site", \*\*\*\* Status of Latifiyah camps 1 & 2 (Baghdad) is pending MoDM confirmation on whether they remain as formal camps or are reclassified into informal sites.
