Mapping of Development Partners' Support to District Local Governments

Background

The Development Partners' Sub-Group on District Local Government (DLG) Support is a forum engaged in providing support to DLGs meet to discuss on a regular basis and provide feedback to the CRRF DPG. The objective is to provide a platform for partners to coordinate, share best practices, challenges and lessons learned on DLG support. To enhance coordination, distribution of resources and enhanced planning by the districts, partners decided to map their activities.

Scope of the Mapping

The mapping shall encompass all programmes, projects and interventions in support of DLG in refugee-hosting districts.

Tool for Mapping

The mapping will be conducted using ActivityInfo. The template for the DLG support mapping is independent of the monitoring of the Refugee Response Plan – ActivityInfo is merely used as a data collection tool.

How to access ActivityInfo

To start the program, type the following web address: <https://v4.activityinfo.org>

In general, the system works best on Google Chrome (issues have been reported with Microsoft Edge).

You can log-in by clicking the Log In tab.

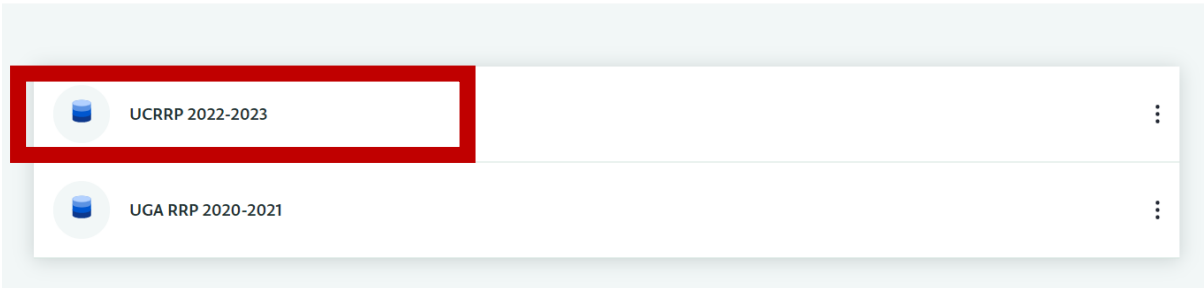

➤ If you do not have a username and password, please send an email to the UNHCR IM Team (ugakaimug@unhcr.org). An invitation will then be sent to you, and then you can create your password.

In case you have any general enquiries on the mapping or experience challenges with the content of the template – please get in touch with insa.nieberg@giz.de.

Accessing the data base

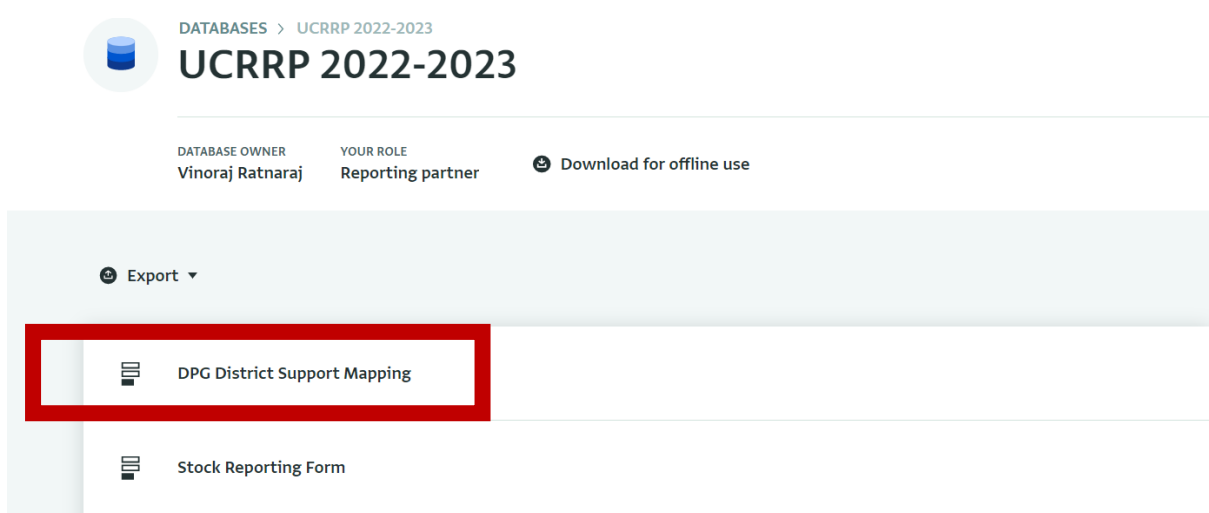

1. Please select the UCRRP 2022 – 2023 Data Base

Databases

A screenshot of a web interface showing a list of databases. The first item, 'UCRRP 2022-2023', is highlighted with a red rectangular box. To its left is a small blue database icon, and to its right is a vertical ellipsis menu icon. Below it is another item, 'UGA RRP 2020-2021', also with a database icon and a vertical ellipsis menu icon.

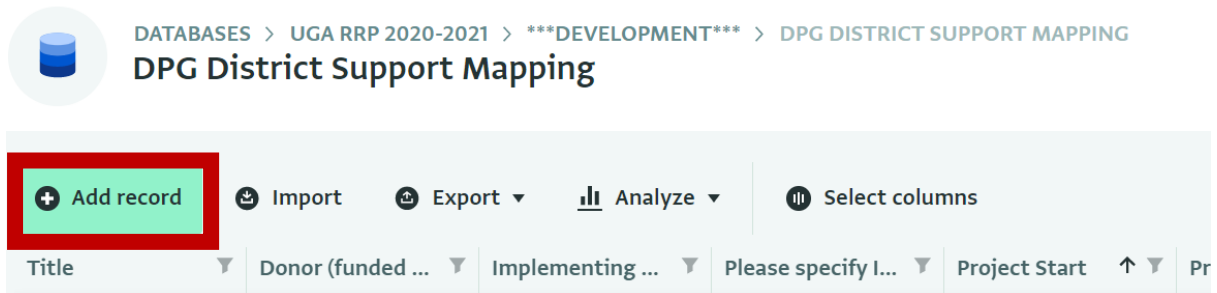

2. Please select the Folder DPG District Support Mapping

A screenshot of the 'UCRRP 2022-2023' database page. At the top, it shows 'DATABASES > UCRRP 2022-2023' and the title 'UCRRP 2022-2023'. Below the title, there are two columns: 'DATABASE OWNER' with the name 'Vinoraj Ratnaraj' and 'YOUR ROLE' with the role 'Reporting partner'. To the right of these columns is a button labeled 'Download for offline use'. Below this information is a section with an 'Export' dropdown menu. Underneath, there is a list of folders. The first folder, 'DPG District Support Mapping', is highlighted with a red rectangular box. To its left is a folder icon, and to its right is a vertical ellipsis menu icon. Below it is another folder, 'Stock Reporting Form', also with a folder icon and a vertical ellipsis menu icon.

Data Entry

1. For each project you want to list, please add a new record.
