Approval of CRAFFT Work Plan and member nominations for activities	**Interagency update:** 2022 07 26 - DRAFT Ukraine Situation Inter-Agency Romania Update.docx **Link to the Work Plan:** CRATTF Action Plan - Draft V1.docx	Each member is to fill in where they think they can get involved, depending on what they are working with and in line with the objectives and indicators we are following. Make sure to mention your focal point and organisation name so we know who to address.
5Ws tool introduction and instructions (IJM and UNHCR) & member approval of tool	**Link to 5Ws: 5Ws** **How to fill in and send the Anti-Trafficking 5Ws Spreadsheet** ● **Each month**, an empty spreadsheet will be sent to all members, so they can fill it in with data gathered by their organisation. ● As many members are already part of other working groups, members need to make sure they report only related to **anti-trafficking activities** and **sub-activities**. ● Once reports are sent by all members, a correlated file will be made by UNHCR with data gathered from all organisations. ● Recommendation by Rick Nidel/IJM: when you fill in the form, save a copy, and for the next month you just need to copy-paste the content and only update the figures/month. ● Instructions and form found in 5ws folder within our Task Force Folder.	**DEADLINES** for filling-in the 5Ws Spreadsheet: ○ **July 25th, 2022:** Fill in and send the 5Ws Spreadsheet with data gathered by your organization from the beginning of the crisis in Ukraine up to the end of June. ○ **August 5th, 2022:** Fill in and send the 5Ws Spreadsheet with data gathered by your organization in July (**1-31 July 2022**). **VERY IMPORTANT!** Please complete the 5Ws Spreadsheet, as we need to report it to the government and make sure we come up with a coordinated approach, so we can avoid overlaps.
National plan of measures on the protection and inclusion of displaced persons from Ukraine, beneficiaries of temporary protection in Romania	The link to the EN version of the National Plan on Ukraine: National Action Plan ● Understand the National Plan will be launched on the **26th July.** ● The Plan mentions the establishment of a **working group for the prevention of sexual exploitation, abuse and risks**	

	associated with trafficking which indicates it will include NGOs, UN agencies and others - this means we may have **overlaps**, as ● We will keep TF members updated on how this may proceed depending on the set up and structure government chooses – with the main aim of complementing/working with the government and avoiding duplicity.
