Main Topic	Discussion	Action Points
Updated figures and announcements (UNHCR)	<ul style="list-style-type: none"> • National Plan and RRP was launched at a high-level joint event by the Government of Romania and UNHCR on 26 July in Bucharest. Romania is the only county in Europe to have a NP and sets the standard for others. • Having WG's workplans will help in finding the way to interact with RRP and Governments' WGs. • RCF did not take place in July due to having the launch, but it will resume at the end of each month. • Thanks to those who provided input for the Inter-Agency Operational Update on time; quality of input has improved. Request to use the template for your input. The July report will be shared by Monday and can be used by WGs a reference document. • All RRP partner agencies to nominate a focal point for the Activity Info training and RRP. The IM team is ready to deliver a training on 	<ul style="list-style-type: none"> • All RRP partner agencies to nominate a focal point for the Activity Info training and RRP. The IM team is ready to deliver a training on Activity Info. Discuss in your WG and nominate FPs by next Wednesday. • Choose one WG to explain the process to establish the WG and work together. • IA will share one of the workplan documents that has been completed and articulate the cross-cutting activities and discuss the process in the next meeting. • Sector Leads to send changes to RRP in the bullet point format

Activity Info. Discuss in your WG and nominate FPs by next Wednesday.

- WG's document which identifies the current priorities and how they interact with the NP:
 - Protection: Workplan and ToR are under preparation, it may take two weeks.
 - Child Protection: Workplan is in place and saved on SharePoint; it complements the NP.
 - Health: No workplan; partners are not contributing and WHO is doing the work of the WG.
 - Education: A mini Education strategy plan is being prepared
 - Basic needs: Identified a cross cutting item which is shelter capacity to absorb the flow of refugees from transit centres to permanent accommodation. Document will be developed to identify the cross-cutting items.
 - PSEA: Since this a cross-cutting issue, the PSEA Network is working with the Anti-Trafficking Task Force to jointly develop an action plan.
 - Livelihood: Employment and access to labour are the cross-cutting issues. WG is looking into the language courses and would like to have systematic solutions.

- Regional review of RRP and 2023 version:
 - To be released by September
 - More guidance from HQs will come next week
 - Each country to develop a 3 to 5 pages addendum to summarize the adjustment or reprioritizing of activities and budget
 - Regional Bureau will advise on the process
 - Start the discussion within WGs and send some dot points regarding changes to the RRP
 - Protection WG changed indicators to focus on Persons with Special Needs
 - UNHCR and UNICEF to discuss the suggestion to have Blue Dots at exit points
