Updates & Achievements

- **French Red Cross:** Supporting Moldova Red Cross for service provision of basic psychosocial support in centers and via outreach. Soon, an international delegate will be on board.
- **HI:** Providing services for women, children, and adolescents in community center at different locations. Have 3 local psychologist and 2 local social workers in MHPSS team.
- **IOM:** 4 PMT provides individual/group counselling including for 4 cancer patients, elderly people, and people with disabilities; PSS activities including puppet theatre, sports, art, game activities. MHPSS staff trained on IOM MHPSS approaches. Expanding activities in different locations with implementing partners.
- **IRC:** Has 7 partners (Protection, MHPSS, Education). MHPSS partners provides PSS activities for refugee and host community.
- **WV:** Has MHPSS implementing partners that provides MHPSS services includes counselling, PSS activities focusing on school preparations. Completed PFA ToT training for the partners.
- **UNICEF:** Support line activity continues for teenagers. %20 percent of the calls are coming from refugees. Necessary referrals are being done for MHPSS counselling.
- **WHO:** mhGAP HIG may complement the existed MHPSS protocols of MHPSS in PHCs and CMHCs.

Challenges

- Providing services for adults is difficult than children since adults has hesitations to join MHPSS activities
- MHPSS service mapping should be updated to see MHPSS service provision location coverage
- Preparations for school year
- Lack of service provision for 3rd country nationals
