

**MHPSS Technical Working Group  
Poland**

**National Workshop on Suicide Prevention and Response  
19 September 2022 at 14:00  
Online- ZOOM**

In acknowledgment of World Suicide Prevention Day on 10th September MHPSS Technical Working Group in Poland would like to invite MHPSS TWG participants to a workshop to enhance sharing and discussions on the Polish setting in addressing suicide.

**Objective:**

The purpose of the meeting is to strengthen national and international MHPSS service providers to address suicide risks in Poland. The workshop will help participants to learn National Policies, Guidelines and help understand the roadmap for suicidal cases.

**Presenters:**

**Anna Baran**, MD, Ph.D., MBA Working Group on Prevention of Depression and Suicide at the Public Health Council Ministry of Health

**Halina Sienkiewicz-Jarosz**, Prof., Dr, Director at the Institute of Psychiatry and Neurology (IPIN).

**Target Audience:** MHPSS technical coordinators, managers, supervisors.

**Language of the Workshop:** Polish with simultaneous translation into English
