People benefited from durable solutions activities

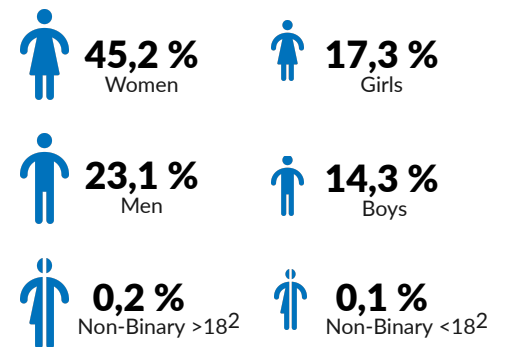

Between January and November of 2022, UNHCR reinforced and complemented local and national efforts to respond to the humanitarian needs of the population from Venezuela, internally displaced persons (IDPs) and host communities. Interventions sought to mobilize protection and opportunities for the different populations of concern to access their rights and meet their basic needs.

Efforts were also made to empower communities, and strengthen the capacity of local and national institutions to provide protection and assistance.

¹A UNHCR beneficiary may benefit from more than one direct intervention from UNHCR and its partners. ²Any person who does not identify with being a woman or man. ³Includes population with an intention to stay, in transit, pendular, asylum-seekers, and refugees.

UNHCR works to empower and assist refugees and internally displaced persons to access their rights and meet their basic needs.

UNHCR also promotes a safe and protective environment for all the people it serves, through inclusion and opportunities to find durable solutions.
