Northeast/Nigeria

Cameroonian Influx as of 16-Feb-2023

Due to insurgency attacks in the Far North Region of Cameroon , persons started fleeing Cameroon to Adamawa State in June 2022. Currently there are **19,598** individuals seeking refuge in Adamawa State, Local Government Areas (LGAs) of Madagali, Michika, Mubi North, and Mubi South. Most of the refugees are from Mutas , Wupai, Ndrok, KulKubai and Dulum villages in the Far North Region of Cameroon.

***UNHCR and partners have undertaken a group pre-registration and rapid assessments, which is still ongoing. L2 registration (individual, biometrics) will be done in mid-April 2023.**
