MARCH 2023 Achievements

- UNHCR re-opened its Office in Slovakia in 2022 at the request of the Government, in response to the war in Ukraine. UNHCR works in close coordination with state entities including local and municipal authorities, UN agencies, and national partners. UNHCR's National Office in Slovakia is located in Bratislava as part of the UNHCR Representation for Central Europe based in Budapest, Hungary.
- In support of the Government of Slovakia's response, UNHCR's protection interventions aimed to ensure a favourable protection space for Ukrainian refugees as well as refugees from other countries, by providing assistance, protection, and access to services to individuals under temporary protection.

UNHCR has active partnership agreements with the Slovak Humanitarian Council (SHC), Mareena, People in Need (PIN), Human Rights League (HRL) and Sme Spolu (We are Together).
