The incentive-based volunteer scheme (IBV) aimed at providing refugees living in Azraq Refugee Camp with basic means to enhance their resilience and self-reliance due to the lack of livelihood means in the camp. The Incentive-Based Volunteering Scheme (IBV) has been a key aspect of refugee participation in the delivery of humanitarian assistance and other services in the camp. The factsheet contains information shared by the different humanitarian actors engaged in the IBV scheme.

Feedback by community members:
- Community members are dissatisfied with IBV position announcing process and suggested for a unified mechanism for all announcements.
- Elderly and PwDs community members are requesting support to consider their cases on regular rotation in IBV opportunities.
