

The LCRP targets 1.5 million displaced Syrians, 1.5 million vulnerable Lebanese, 180,000 Palestine Refugees in Lebanon and 31,400 Palestinian Refugees from Syria. These populations live across all governorates in Lebanon. Under the LCRP, each sector targets its activities based on the assessed needs of each population group. Partners deliver activities at the individual, household, community and institutional level depending on the type of activity and the needs.
