Trends, Highlights and Challenges

- 98% of the households in Azraq camp is receiving UNHCR cash assistance through mobile wallets.
- Installation of a total of 400 private latrines at household level for persons with specific needs was completed in March.
- The installation of fuses and disconnect systems supported reducing the electricity bill, and the two-hour reward encouraged refugees to commit and avoid misusing electricity.

Key Facts and Figures

- More than 11,600 children currently enrolled in education; this represents 69% of school-aged children in the camp
  - 11,347 children from kindergarten 2 to Grade 12 (50% female) enrolled in formal education
  - 267 children (51% female) enrolled in Ministry of Education accredited non-formal education
  - 15 schools, 5 standalone kindergarten and 2 centres
- As of the end of March, a total of 1,239 active work permits holders, including 10% female, are registered in the database; this represents around 8% of Azraq’s working-age population
- Around 1,858 refugees, including 44% female, are engaged in the Incentive-Based Volunteer scheme, which allows refugees to work with organisations in the camp as paid volunteers
