The standard analysis of the WG-SS is to record someone as having a disability if they answer "Yes – a lot of difficulty" or "Cannot do at all" to at least one of the six questions.

Do you have a disability report issued in Türkiye?

- Yes, report is still valid: 37%
- Do not need report: 30%
- No, attempted to obtain: 14%
- No, did not attempt to: 12%
- Had a report in the past: 7%

What are the reasons that you were not able to obtain a report?

- Hospital refused to provide the report: 30%
- Do not know about the need for a report: 20%
- Lack of information on how or where to: 18%
- Other: 18%
- Financial barriers: 15%
- Lack of interpreter at the hospital: 9%
- Transport-related challenges: 8%
- Do not have an active health insurance: 5%
- Absence of registration under Internation: 2%
- Person was assigned an ID number starting wit...
Did you move outside of the 11 EQ affected provinces at any given point between February 6 to date?

- No: 0%
- Yes, once: 10%
- Yes, multiple times: 20%

Reasons if moved once:
- No sustainability: 41%
- Financial reasons: 19%
- Challenges: 17%
- Availability of: 9%
- Other: 8%
- Lack of/limited: 4%
- Exclusion/ma…: 4%
- Relocated by …: 1%
- Relocated by …: 0%

Reasons if moved multiple times:
- No sustainability: 32%
- Financial reasons: 18%
- Challenges: 17%
- Availability of: 9%
- Other: 7%
- Lack of/limited: 5%
- Exclusion/ma…: 5%
- Challenges: 3%
- Challenges: 3%
- Challenges: 2%

Have you moved within the province to a different neighborhood/district?

- No: 56%
- Yes, once: 35%
- Yes, multiple times: 9%
### MOBILITY

**Which province did you reside in before the February 6 Earthquakes?**

### Primary Source of Information

- Friends, family and neighbours whom I know in person from the refugee community: 49.77%
- Online groups of refugees (e.g. on social media, messaging apps and internet forums): 42.49%
- Friends, family and neighbours whom I know in person from the host community: 23.74%
- NGOs & CBOs: 17.03%
- Government and public institutions (e.g. PDMMs, ministries, local government, police, schools, hospitals): 16.92%
- Local authorities including municipalities and mukhtars: 9.21%
- UN agencies: 5.62%
- Local leaders in my community (including religious leaders): 3.50%
- Other: 30.2%
Are there any services that you and/or your household members could not access within the last 6 months?

- Have not attempted to access: Yes
- Yes

What are the essential services and/or service providers which you and/or your household members are not able to access?

- Provisional Directorate of Migration Management Services
- Health services, including sexual and reproductive health and well-being support
- AFAD other earthquake related support
- AFAD financial support for EQ survivors
- ESSN application/CTE application (Kizlay Card)
- Municipalities
- Social Assistance and Solidarity Foundations
- Civil Registry Offices
- Provisional Directorates of Family and Social Services (PDooFSS) – Social Service Centers
- NGOs & Community Based Organizations
- Public transportation
- Public education centers
- UN Agencies
- Civil Society
- Mukhtars
- ISKUR
- Other PDooFSS Services
- e-Devlet
- Legal Representation/ Legal Aid / Bar Associations
- District Governorate
- Bank
- Government Hotlines (112, 183, 157 etc.)
- PDooFSS Women’s Shelters
- Police Department
- PDooFSS Childcare Institutions
- Courts and public prosecutor’s offices
- Guidance and Research Centers (Rehberlik ve Araştirma Merkezleri)
- PTT
- Family reunification with first degree family members

Reason of not being able to access services

- Unable to book appointment
- Lack of operational capacity of service providers
- Financial barriers
- Individual does not know why barriers were faced in accessing services
- Service providers not being helpful/not providing guidance
- Other
- Lack of information on services and service providers
- Language barriers and/or lack of inadequate translation services
- Eligibility criteria/prioritisation of specific groups
- Denial of available services by service providers
- Prioritization of earthquake survivors in service delivery
- Challenges in accessing transportation options/high expenses
- Registered in a different province (than province of residence)
- Obligation to reside at Temporary Accommodation Centers
- Lack of required ID/documentation or due to inactive status
- Overloading of the e-Devlet system
- Safety concerns related to social tension
- Domestic/care work
- Working during operational hours of service provider
- Access barriers due to physical disabilities
- Physical safety concerns (related to violence, exploitation, abuse, neglect)
- Loss of ID during the EQ
- Access barriers due to vision disabilities
- Access barriers due to hearing disabilities
- Access barriers due to psychosocial disabilities
- Fearful about sexual exploitation and abuse by service providers
- Access barriers due to intellectual disabilities
Have you received/tried to access any sexual reproductive health (SRH) services?

- Did not need to access SRH services: 50%
- No, could not access: 28%
- Prefer not to mention: 10%
- Yes, did not face any challenges: 10%
- Yes, but faced challenge(s) in accessing: 2%

Do you have any of the following specific needs?

- I/they do not have any of the following specific needs: 47%
- I/they have a disability: 19%
- I/they have a medical condition: 15%
- I/they am/are an older person: 14%
- I/they have a newborn: 6%
- I/they am/are pregnant: 5%
- I/they am/are a single mother: 4%
- I/they have other specific needs: 4%

Have you approached PDMM to reactivate your health insurance?

- ID currently deactivated: 30.77%
- Lack of operational capacity of service providers: 23.08%
- Registered in a different province (than province of residence): 23.08%
- Eligibility criteria/prioritisation of specific groups: 15.38%
- Not registered with PDMM: 7.69%

What is the reason for not being able to access/approach health services?

- Lack of operational capacity of service providers: 26.43%
- Unable to book an appointment: 26.43%
- Financial barriers: 14.64%
- Lack of interpretation support / language barrier: 13.93%
- Registered in a different province (than province of residence): 10.00%
- Service providers not being helpful/not providing guidance: 9.64%
- Treatment is not available under the health care services offered in my province: 6.79%
- Cannot pay co-payment fees for the treatment/medication: 6.07%
- Eligibility criteria/prioritisation of specific groups: 5.71%
- Treatment is denied by service providers: 5.71%
- Treatment is not available under the health care services offered in Türkiye: 5.71%
- Individual does not know why barriers were faced in accessing services: 5.36%
- Lack of information on services (including how to schedule an appointment): 5.36%
- Mobility restrictions at Temporary Accommodation Center (TAC management did not allow me to go out): 5.00%
- ID currently deactivated: 3.93%
- Challenges in accessing transportation options (including high expenses, lack of disability-friendly vehicles, long distance/proximity to service provider etc.): 3.57%
- Not registered with PDMM: 3.57%
- Prioritisation of EQ survivors for service delivery: 3.57%
- Loss of ID during the EQ: 2.14%
- Other: 2.14%
- PDMM inactivated my health insurance due to completion of one-year registration period (IP): 2.14%
- Access barriers due to physical disabilities: 1.79%
- Doctor did not refer respondent to a hospital in another province: 1.43%
- Emergency Travel Document was not extended: 1.43%
- PDMM inactivated my health insurance due to rejection of IP application (IP): 1.43%
- Treatment is not covered by insurance (SUT): 1.43%
- PDMM did not provide travel permission (despite having referral from hospital): 1.07%
- PDMM inactivated my health insurance but I don’t know the reason why (IP): 1.07%

Coping Mechanism

- Reduce essential food expenditure
- Borrow money/remittance from relatives, family friend or anyone to purchase essential food
- Reduce essential food intake
- Credit/Debt to purchase essential household goods (including food)
- Spend household savings
- Reduce essential non-food expenditure, such as education, health, hygiene...
- Sell household goods (jewellery, phone, furniture, electro domestics etc.)
- Sold productive assets or means of transport (sewing machine, car, bicycle, ...)
- Accept a high risk, exploitative temporary job that would not be accepted usually
- Combining households with extended family/in-laws can be added
- Took child/ren out of school
- Other

Able to cover monthly expenses and basic household needs

- Yes
- Partial
- No

Which other costs/expenditures are you not able to cover fully?

- Rent/housing
- Food
- All of the below
- Essential non-food items (i.e. clothing etc.)
- Utilities
- Hygiene
- Health
- Household items (mattress, blankets, cleaning supplies, etc.)
- Transportation
- Education
- Internet services
- Remittance/Debt

Have your financial circumstances changed in the past 6 months?

- No, did not change
- Prefer not to mention
- Yes, deteriorated/declined
- Yes, improved

Average of Rank Score by Source of Income

- Formal employment
- Unemployment benefits
- Personal savings
- Remittances/Cash support from abroad
- Other
- Neighbourhood/community support
- Debt/loans
- Social Assistance (through public institutions)
- Social Assistance (through UN agencies)
- Humanitarian Assistance (Socio-economic)
- Informal employment – long-term/regular
- Informal employment – irregular/daily
- Formal employment
- Work (employed/self-employed, in farming)
- Humanitarian Assistance (Socio-economic)
- Informal employment – irregular/daily
