**Minutes are available at AAPWG Poland - Google Drive**

**Agenda and discussion points:**

1. Review of the previous action points
2. Updates from Organizations on key achievements
3. AOB

**Review of the previous action points:**

- Mapping of hotlines/helplines in Poland is ongoing and the deadline for AAP WG members’ inputs is 3 August. An extension of such mapping to other countries was suggested and can be flagged to colleagues working at the regional level.
- Members were invited to join activities conducted as part of the AAP WG Action Plan.

**Updates from Organizations on key achievements:**

**UNICEF:**

- In line with Action Plan, UNICEF has been developing integrated feedback system, aimed at having standardized sets of data and informing Organization’s decisions. UNICEF also recently conducted consultations with children. The final report should be ready in September.

**IMC Ukraine:**

- Recently conducted several internal and external trainings and strengthened accountability mechanisms in the organization.
- Members inquired if Organizations are using a feedback tracker. Plan International shared that they have one and agreed to add information about it into AAP WG Google Drive.

**Action points:**

- Members are kindly asked to update the hotlines/helplines mapping.
- Members are kindly asked to join activities conducted as part of the AAP WG Action Plan.
