WINTERISATION TRANSFER VALUE 2023-2024

MPCA (6000 TRY) + **winter essentials, such as heaters** (2,500TRY) + **winter non-food items and utilities** (340 TRY) * **family members**

In the context of high mobility of families and unclarity in terms of exact number of family members, agencies have the flexibility to choose whether to calculate the transfer value based on each household size or to provide two fixed transfer amounts, one for the minimum and one for the maximum number of members.
