Rwanda

REFUGEE RESPONSE MONITORING DASHBOARD

Jan - Sep 2023

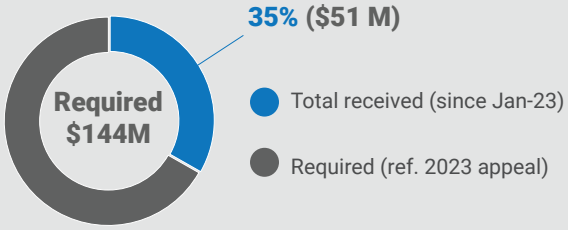
This dashboard summarizes progress made by partners involved in the Rwanda Refugee Respnse Plan (RRRP) and highlights trends affecting people in need. The RRRP aims to achieve the following specifics objectives (SO): **SO 1**: Strengthen and maintain refugees and asylum-seeker access to comprehensive and inclusive protection services; **SO 2**: Improve the living conditions for refugees throughout Rwanda ; **SO 3**: Support the inclusion of refugees within national systems to foster refugee self-reliance and their progressive graduation out of humanitarian assistance; **SO 4**: Seek the implementation of durable solutions to refugee situations.

Total Population

135,733 Refugees and Asylum seekers

Funding Status

(As at 30 September 2023)

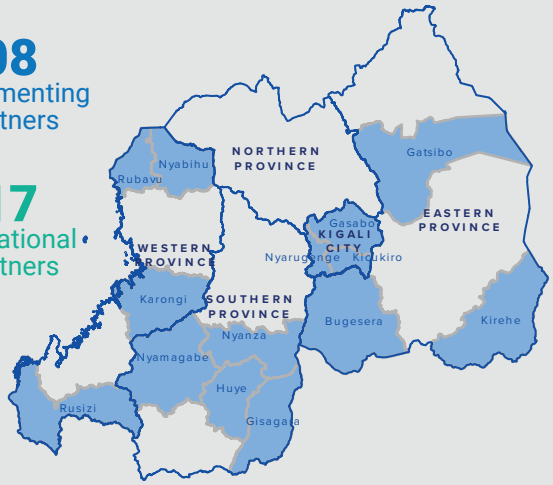


Contributing Partners

District where contributing partners are present

08 Implementing Partners

17 Operational Partners



Progress against targets
