

## 2024 Inter-Agency PSEA Network Action Plan Bulgaria

The Network's Action Plan considers the endorsed terms of reference for the PSEA Network and the commonly reported risks from the rapid risk assessment conducted in collaboration with Network members in March and April 2022. **The PSEA Network's initial focus will be strengthening local efforts in PSEA and safeguarding in Bulgaria.** This will include sharing resources to support implementing PSEA Frameworks within organizations; raising awareness amongst affected populations, staff and volunteers engaged in the response; and contributing to interagency efforts to establish a complaints and feedback mechanism.

Tasks	Activities	Timeline
Management and Coordination	Establish inter-agency minimum standards (Standard Operating Procedures) for PSEA within the Network	Q2-Q3
	Capacity support to network members: training, presentations, awareness sessions and peer exchange to be available between Network members  Capacity support to government/local authorities.	Q2-Q3
Engagement with the affected population	Development of common information materials	Q3-Q4
Response	Service mapping ( <i>linked/coordinated with GBV service mapping: review and strengthen</i> )	Q2-Q3
	Review and strengthen referral pathways to facilitate access to services for victims ( <i>under RCF and Protection &amp; Inclusion Working Group, GBV referral pathways</i> ).	Q2-Q4
