

# UNHCR Angola Operation Overview - June 2024

## Background

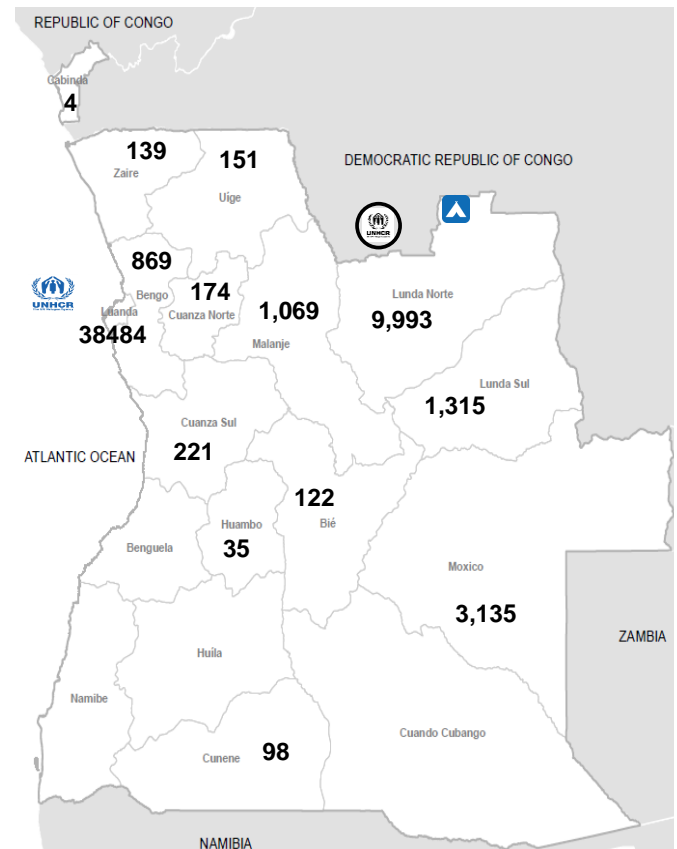

### Kasai Caseload

In 2017, around 35,000 Congolese refugees fled conflict and violence from Kasai region in DRC to Lunda Norte Province in Angola, leading UNHCR and the Government of Angola to declare an emergency situation. Lovua settlement was then established on Sep 2017. Since then, the 2017 Kasai refugees whose current population is **9,083 (6,268)** in settlement), as they are referred to, have been granted asylum and provided with assistance and protection mainly in Lovua Refugee Settlement and other neighbouring areas within Lunda Norte. WFP provides food to refugees residing in settlement.

## Population Breakdown

|                                 |               |                                |               |
|---------------------------------|---------------|--------------------------------|---------------|
| <b>Total People of Concerns</b> | <b>55,809</b> | <b>Total Partners</b>          | <b>4</b>      |
| <b>Total Refugees</b>           | <b>25,328</b> | <b>Total Asylum-Seekers</b>    | <b>30,279</b> |
|                                 |               | <b>Total Others of Concern</b> | <b>202</b>    |
