Inter-Agency presentation of the newly published Employment Data Dashboard	<ul style="list-style-type: none"> • Marius Chiricuta, Inter-Agency Assistant Information Management Officer, presented the newly published Refugee Employment Data Dashboard, which is available on the UNHCR data portal here. The dashboard provides an overview of statistics and trends related to Ukrainian refugees' employment in Romania. The data is collected from the Labour Inspectorate and National Employment Agency (ANOFM). 	<ul style="list-style-type: none"> • Questions or feedback related to the dashboard can be directed to Marius Chiricuta chiricut@unhcr.org

Discussion about the livelihoods sector's indicators and strategic priorities for 2025/2026

- Victoria Moren presented the National 2024 RRP indicators for the livelihoods sector (available [here](#) and below), and opened up a discussion around whether these are still valid for 2025/2026. Overall, the group agreed that the existing indicators remain relevant.

- Everyone is encouraged to review the indicators in more detail and add any suggestions for modifications in [this document](#) by **Friday August 23rd**.
