

MENA AAP Toolkit Rollout Kick off – Chapter II: Participation and Inclusion

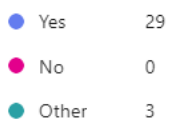

Evaluation survey results:

1. Do you think the MENA Digital Participatory Tool will help improve the responsiveness and the quality of humanitarian programming to the needs and capacities of affected communities?

2. Do you believe the grant initiative supporting community and grassroots organizations, like the one in Mauritania, has effectively empowered women leaders to enhance participation and access to essential services for refugees at height ened protection risk?

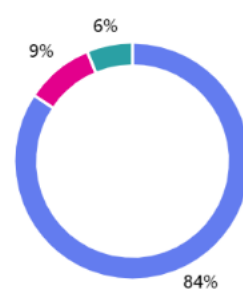

3. Please let us know if you have any idea to improve the effectiveness of this tool

10 Responses
