

The Government of Slovakia is leading the refugee response, with the support of the humanitarian community in the country, including the civil society and a strong network of volunteers. The Ministry of Interior coordinates the refugee response, in cooperation with other line Ministries.

The 2025/26 inter-agency Refugee Response Plan (RRP) in Slovakia brings together 19 partners, including 13 national NGOs, 1 international NGO, and 5 UN Agencies. RRP partners work closely with the civil society, volunteers, the academia, cultural and sport associations to enhance synergies and complementarities, ensuring the best possible outcomes as outlined in this Plan.

160,000 2025 targeted refugee population	\$42.5 M 2025 total financial requirements in USD	19 partners involved
150,000 2026 targeted refugee population	\$36.9 M 2026 total financial requirements in USD
