

CAR Refugees and Asylum-seekers

Population Distribution

Persons With Disabilities

2% of CAR registered population are persons with disabilities

Unaccompanied and Separated Children

Despite the ongoing conflict that began in April 2023, Sudan continues to host a substantial number of refugees, totaling 837,996 as of December 2024. CAR refugees represent (1.2%) of this total population.

The conflict has also led to internal displacement, with 266,149 refugees self-relocating within Sudan, primarily moving from Khartoum to other states and 6,158 CAR Refugee Returned to their country of origin.

In terms of living conditions of the CAR refugees, 100% of the refugees are live out of camps.

The refugee population is almost evenly split in terms of gender, with females accounting for 57% and males making up the remaining 43%.
