Syria governorates IDPs and IDP returnees overview

As of 31 July 2025

Key Figures

In Syria, an estimated **7.4 million** individuals remain internally displaced (IDPs), residing both within communities and in IDP sites. As of 31 July 2025, **5.1 million** are estimated to be living outside IDP sites, while **1.35 million** reside in 1,671 IDP sites and camps in Northwest Syria (NWS) and Northeast Syria (NES).

The events of November 27, 2024, and recent incidents have triggered further displacement, with over **881,788** new IDPs reported as of July 31, 2025.

At the same time, IDP returns continue, with 1,586,542 individuals reported to have returned home since November 27, 2024, including **774,788** returning from IDP sites since December 8, 2024

7,408,944
Estimated IDPs within Syria

5,114,053
Estimated IDPs residing outside IDP sites

1,648,799
Estimated IDPs inside IDP sites (CCCM Cluster)
