Inter-Sector Storm Response Report – Jan 2026

- **Overview:** Severe storm affected North & Akkar, Beirut & Mount Lebanon (BML), and parts of Bekaa, causing flooding, snowfall, strong winds, and access disruptions.
- **Impact:** 727 households (~3,600 individuals) affected across 184 sites (BML, North & Akkar). In Bekaa, referrals mainly related to shelter repairs.
- **Response:** Distribution of CRIs and shelter kits; winter cash assistance (BML); Mobile Medical Unit deployment (North); plastic sheeting and minor shelter repairs (Bekaa).
- **Access:** Initial access constraints in Marj El Khokh (South); once access was possible, no outstanding needs were identified.
- **Challenges:** Funding gaps, damaged infrastructure, overstretched municipalities, high fuel/food prices, and limited household coping capacity.

OCG Missions

LRP Lead agencies & ISCG Co-Chairs (MoSA, UNHCR, UNDP, OCHA) alongside LHIF will visit the 4 OCGs next week.

Purpose: Catch up with OCGs to better understand the transition and understand what support is needed for the OCGs to transition from inter-sector coordination to inter-agency area based operational coordination.

Guidance will be shared by the LRP Leads & ISCG Co-Chairs on how to shape the transition moving away from the traditional inter-sector model while respecting the specificity of every area.

A readout will be shared with ISCG members for reference after the completion of the missions.
