SOUTH SUDAN

National Conflict Induced Displacement since the Jonglei Crisis in Late December 2025 (As of Map 07 May 2026) Map

(As of 14 May 2026)

As of 07 May 2026, a total of **337,008** individuals have been internally displaced across South Sudan. National-level conflict continues to be the primary driver of displacement, with Jonglei State accounting for the majority of recorded movements between 1 January and 7 May 2026. This trend follows the escalation of the Jonglei crisis that began in late December 2025.
