Collective Center Management Training
Revised version 2013

Context

The influx of Syrian refugees into Lebanon has significantly increased in 2012. From the first to the second half of last year there has been a shift from 6,000 refugees in January, to 25,000 in-country by July, then to a very large displacement of over 170,000 refugees. Furthermore the recent development lead UNHCR to assume around 40 000 refugees registration per month.

Collective centers is part of the response to shelter needs. Few collective centers have been opened in 2012 but for 2013. Shelter sector plan to increase collective centers capacity and the number of temporary shelter solutions. In order to achieve this:

UNHCR and NRC are proposing a training on collective centre management

To: International and national organisations present in Lebanon

What: 5 days training in English

Where: In Beirut - Location to confirm

When: Early February 2013 (date to be confirmed)

Cost: Free of charge based on acceptance of candidates (maxi. two candidates per organisation)

Interested organisations have to submit a letter of interest indicating:

- Their experience and interest in collective center management activities for Syrian refugees;
- Their experience in social sector, in dealing with refugees;
- Their region of intervention;
- Names and cv of proposed candidates for the training. Good command of English language is required.

Selection of training candidates will be done by the shelter group based on the letter of interest.

NGOs with trained staff will be eligible for funding for collective center management.
