79,000

### Highlights

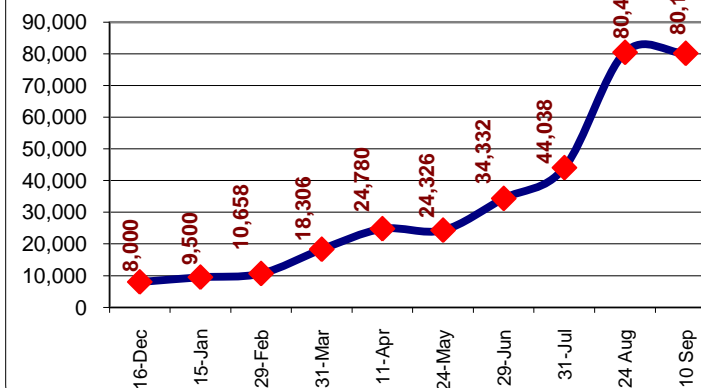

- There is no official number reported by the Government of Turkey on September 11, 2012. However according to the local authorities, there is a decrease in the total number since September 10, 2012.
- Reportedly during the 24 hrs of September 10-11, 2012, 144 Syrians were admitted and placed in the camps while 1,606 Syrians returned to Syria voluntarily.
- According to information from AFAD there are 12 camps including the container site in Kilis operational and four new camps are under construction and they are expected to be operational by end of September 2012
- Reportedly one of the new camps in Gaziantep-Nizip-2 currently under construction is planned to be a container site. By end of September there will be 16 camps of which two will be container sites established in seven different provinces/cities where the Syrians will be accommodated. Additionally there is also the reception/transit center in Hatay province where the new arrival's initial registrations are done before they are transferred to the camps.
- In Kilis Öncüpınar camp, the authorities informed that 3,091 children were registered for school in the camp for 1-12 grades of education.
