

# WASH Sector Coordination Meeting

16 April 2013

# Review of last meeting minute

Action	By who	By when
Review draft Capacity Assessment Report	Pankaj, David	29 March
RRP5 submissions	All partners	ASAP or Latest 1st April
Provide RRP5 Template and other info to NLWE	Pankaj	28 March
Share mapping and data on network areas that might not cope with the water demand in the near future	NLWE	ASAP
Callout for leader and members of Hygiene Promotion TWiG to finish work done so far	Pankaj	28 March
Provide feedback from brief rapid assessment of new arrivals and registered refugees as to what items can be removed from Hygiene kits	All Partners	29 March
Prepare guideline for assessments capturing recommendations of workshop	Pankaj, David	5 April

# WASH RRP5

- WASH RRP5 submitted on 14<sup>th</sup> April 2013.
- Total WASH RRP5 appeal: \$119.48 M+\$2.3 M (UNRWA)- Will increase
- 19 WASH Agencies participated.
- Will be shared with all participating agencies.

# WASH Activities Matrix

- Poor reporting rate (only 4 organisations submitted updated WAM in March).
- Need to keep it simple and easy to fill.
- Should provide key information required for monitoring/information sharing/advocacy.
- Revisiting and agreeing format.
- Support available (IMO & others).

# Hygiene Promotion TWiG

- Communicated to all TWiG members & all are interested.
- Need to agree on how we move forward.
- Needs to be completed ASAP: increase in incidence of WASH related diseases, crowded living conditions, more and more tented settlements/collective shelters
- Support required (to TWiG)

# Update on Water & Sanitation TWiG

- Update on water TWiG
- Update on sanitation TWiG

# Hygiene kit and Baby kit

## 1. Result of rapid survey:

- Top 5 priority items: Laundry soap, Dish Detergent, Shampoo, Individual Soap and Toothpaste.
  - Bottom 5 priority items: Plastic Bucket, Laundry Line, Garbage Bags, Comb and Toilet Paper
2. Suggestions from field is to keep bucket and remove towel from new comer hygiene kit.
  3. Need to revise cost as the unit rate of items is changed since November 2012.

# AOB

- Water trucking (mapping of needs/agencies): in close coordination with Wes and municipalities.
- Scabies/lice: Reported cases from field.

Next WASH Sector Coordination Meeting:  
24<sup>th</sup> April 2013, UNHCR Beirut, 13:00 Hrs

Thank you.
