Registration Trends for Syrians (24 October 2013)

Updates from UNHCR

Health Information Brochures

- Printed and under distribution
- Posted on UNHCR web portal in English and Arabic
- NewHealth Brochure for mass information under development.

simplified and clear messaging around
how to access health services...

Updates from UNHCR

Health Information System HIS

- HIS Lebanon tally sheet Arabic/ English (best printed on A3)
- Reporting is on monthly basis to:
 - lebbephu@unhcr.org
 - ahmedja@unhcr.org

Data received from an organisation will be added to similar data coming from the same region, then a report is generated by region.
