Highlights

- On 04 February 2014, AFAD - the Disaster and Emergency Management Agency of Government of Turkey - announced that the total number of Syrians registered and assisted in 22 camps located in 10 provinces was 217,207 including 115 Syrians receiving medical treatment in hospitals. AFAD reported that during the period of 03-04 Feb 2014, a total of 709 Syrians were admitted and registered in the camps and 279 Syrians have voluntarily returned to Syria.
- According to the official figures released by AFAD, since the beginning of the crisis (April 2011) the total number of Syrians registered and accommodated in the camps reached almost 450,000 while 233,000 of the Syrians returned to Syria. UNHCR is not able to verify how many of these returns are multiple returns.
- As the security situation across the borders of Akcakale and Kilis is still continuing to be unsafe due to on going fights, it was reported by various sources (NGOs etc.), there are more arrivals to Turkey through various crossing points along the borders. Reportedly many of these new arrivals are finding their ways to the cities to join their relatives. In Kilis the registration office informed UNHCR that the number non-camp Syrians registered by the police has reached almost to 20,000.
- In Akcakale, the local officials (AFAD etc.) informed that they will put up about 30 rub hall tents to be used as a school for the children of non-camp Syrians in Akcakale town. Local officials informed that they are expecting some 1,000 children of the non-camp Syrians to attend.
- WFP and the Turkish Red Crescent (TRC) have completed e-card distributions and expanded the programme to Ceylanpinar camp, thus augmenting the monthly e-food card programme caseload by 20,500 individuals to approximately 140,000 Syrians in a total of fifteen camps. In partnership with AFAD, WFP and TRC plan to expand to all existing camps within the coming months, whereby WFP/TRC will contribute 60 TL to the KIZILAY card and AFAD will contribute 20 TL to the AFAD e-card for food assistance, per person every month.
- Camp officials reported a fire incident in Akcakale camp caused by a camp resident had a fire in his tent and left it unattended. No casualties were reported and the tent was replaced immediately. Fire safety information is shared with Syrian refugees on a regular basis.
