## How can I enroll my child into school in Egypt?

You must approach the Student Affairs and Examination Section of the Office of the Educational and Administrative Zone in your area of residence, after having made sure you possess the following:

- A valid residence permit on your UNHCR issued document (alternatively on your passport)
- A previously recognized school certificate of the school your child attended prior to arriving in Egypt. In the absence of such a certificate, you need the result of the leveling exam, which is free of charge for foreign students of all nationalities

## What kind of schools can I enroll my child to?

You can in principle enroll your child in formal public -or private schools, as well as informal NGO-run schools

## Does UNHCR provide financial support for education?

- Yes, UNHCR provides education grants through Catholic Relief Services (CRS)
- You may apply if your child is enrolled in school. Your child has to be registered with UNHCR to receive financial support.
