NEEDS ANALYSIS:

Transportation of children and teachers to schools, construction of learning spaces, and provision education supplies are still in high demand. In addition, it is necessary to get refugee children into formal education system. Approval is required from the ministry of education to get Syrian refugee children enrolled in schools, in accordance to their level of education, in the next school year, Sept 2016.

Training on Kurdish language, submission of certificate from Syrian schools, understanding on KRG formal education system, awareness on education and deploying professional Syrian teachers are additional needs linked with formal schooling.

IRAQ RESPONSE INDICATORS: MAY 2016
