- Interviewed by the German weekly *Die Zeit*, Prime Minister Aleksandar Vucic voiced strong support to the refugee policy of Chancellor Merkel: *"I support her completely. ... She upholds European values. She seeks a European Solution. Many Europeans opened their hands when it came to receive financial support. But they do not like to contribute to the costs. That is bad. What can the critics of Merkel offer? Fences? These won't help. There is no alternative to Merkel's policy. I did not hear any reasonable proposals."* Asked about Serbia, Vucic *"repeat(ed) what I always said: Serbia will not build fences. This does not lead anywhere. We need a comprehensive European solution, like Merkel is aiming at. That is difficult to achieve as not everybody acts together. But it will be necessary to reach a solution."* <http://blog.zeit.de/ladurnerulrich/2016/01/27/wir-werden-keine-zaune-bauen/>
