

Basic Needs and Livelihoods Working Group

As a result of the lack of livelihoods opportunities in Zaatari camp, UNHCR and partners have focused their efforts on providing a significant number of services through Cash for Work (CfW); an initiative in which refugees are remunerated for supporting partner programming in the camp. CfW activities are coordinated by the Basic Needs and Livelihoods Working Group (BNLWG) and partner members, who during 2015 developed CfW guidelines that aim to promote equal CfW opportunities to all refugees in the camp, and improve information management about the active cash for workers by harmonizing the CfW approach of humanitarian actors. To facilitate the continuous development of the CfW guidelines and increase the transparency of CfW activities in the camp, the BNLWG has developed a CfW factsheet. This factsheet is based on the information that humanitarian actors in the camp provide to the BNLWG about their CfW activities at the end of each month.

BNLWG response to community feedback:

In September, the BNLWG has formed a Task Force that will monitor CfW advertisement and recruitment procedures. The purpose of the exercise is to ensure compliance with CfW SOPs and to respond to feedback provided by the community during Community Gatherings on issues surrounding CfW advertising and hiring processes.

*All reported figures and analysis on this factsheet are based on the cash for work data submitted by humanitarian actors in Zaatari camp for September, and are therefore not representative of the cash for workers who were employed by agencies who did not submit their data or have submitted incomplete data. Further, the analysis covers the total individual cash for workers reported as active during September, rather than the number of positions filled.

- UNHCR should be informed immediately when fixed or rotational cash for workers cease to be employed by agencies.
