Jordan government and UNHCR has the objective to enable more Syrian refugees to work legally as per London conference outcomes and subsequence decisions and guidelines.

Based on quota provided by Minister of Labour in Jordan, we had identified the following sectors where Syrian Refugees have highest chance in labour market:

- Garment and Industrial
- Construction service
- Wooden & Plastic industrial
- Agriculture
- Hospitality services

Source: Ministry of Labour

## Direct Impact:

- What does C&G provide?
- What is the certificate called?
- Mention examples/samples
- Bring a certificate
- Timing
- Cost
- Prerequisites
- In the region which country can use your certification- regional labor mobility
- Europe /US – is City and Guild recognized
