

Iraq - CCCM Settlement Status Report

from 3 to 31 March 2016

The CCCM Settlement Status Report captures information from some type of IDP locations under the CCCM Cluster strategy. CCCM distinguishes between two types of IDP locations, formal settlements and informal sites. A settlement is an concentrated IDP location managed by an agency or an administrative office, and recognized by local authorities. Settlement can be Camps, Collective Centers, or Transit Centers. In Iraq, the current total number of CCCM IDP locations of concern is **2240**. As of March, the number of open formal settlements is **228**. This document provides detailed information on settlements, updated monthly. CCCM is working with partners to identify all the formal collective centers. Therefore this document will change according to update. Informal sites for returnees are monitored by CCCM but are not visible from

Fomal Settlement Classification & Definition

Camps

- Recognised, administered and usually managed by the host government.
- CCCM Cluster partners may provide management services.
- Planned and built to accommodate refugees or IDPs.
- Located on a site in an open field.
- Government and partners provide basic services and infrastructure.

Collective Centers

- Recognised, administered and usually managed by the host government.
- CCCM Cluster partners may provide management services.
- Not planned or built to accommodate the displaced but modified for that purpose.
- Usually inside a community building such as a school, hall or religious buildings.
- Government and partners provide basic services as appropriate to the context.

Dispersed Transit Centres

- Recognised, administered and usually managed by the host government.
- Formerly buildings classified as urban dispersed settlement (informal settlement, Collective Shelters & Collective Centres).
- Similar purpose and services as for reception and transit centres.
