##### Issue

- CAMP MANAGEMENT/ PROTECTION: Following the events in Ah Nauk Ywe camp, Camp Administrator, IDP Camp Management Committee and "labour leaders" met and decided that all camp-based INGO staff will have to give 1/3 of their salaries to be redistributed among the IDPs with no income. . 13 leaders who are selected by IDPs called all volunteers and gave a force to sign in a paper for agreement, so some volunteers had to sign in front of them.
- SHELTER: IDPs reported damage of an unspecified number of shelters.
- WASH: Regular activities ongoing. Latrine pits need desludging. ECHO visited on 11.06.2014, gave mostly positive feedback on the progress compared to previous visit.
- HEALTH: MoH mobile clinic came once; many IDPs reportedly did not have an opportunity to receive assistance due to the clinic's limited hours.
- Increase in diarrhoea cases reported: total over 300, of whom around 200 reportedly children <5 years old. SCI moved the water distribution closer to the camp. MRCS visited to check and deliver ORS. DEATHS: One elderly person died reportedly of severe diarrhoea.
- FOOD: June ration distributed 7<sup>th</sup> and 8<sup>th</sup> June
- CHILD PROTECTION: SCI is following closely the reported increase in diarrhoea, which mostly affected children <5. NUTRITION: SCI Nutrition delivered 500 ORS for distribution when needed, in response to the increased reports of diarrhoea cases.
