Sector	Updates	Key Concerns			
Camp coordination and Camp Management	<ul style="list-style-type: none"> LWF completed preliminary household survey and produced draft population report. The number of People of Specific Needs is under verification. CMC meeting was held on 12th January and was participated by CMC members and incentive workers. LWF facilitated a meeting on 8th January between CMC and SI and discussed on water supply and water pond fencing. Inter-Agency meeting was held on 22th January and 30 (7 Female) representatives from CMC members, Pauktaw Township Administrator, SI, SCI and LWF attended. LWF selected camp Incentive Worker In-charge and did agreement with all Incentive workers. 	<ul style="list-style-type: none"> Internal conflict between CMC leaders is creating unnecessary disputes time and again. Camp location seems inappropriate for settlement. Camp dwellers do not have access to livelihood and market as compared to other camp. CMC office is not properly settled yet. Fresh household survey suggests that number of shelters and total population are different than previous reports. 			
Education	<ul style="list-style-type: none"> LWF is implementing education program in the camp. 7 TLSs construction completed and selected 28 incentive teachers. In addition, LWF accomplished community teachers training during 13-17 January. 	<ul style="list-style-type: none"> 50 middle school students do not have access to continue their higher study in the camp. 			
Food	<ul style="list-style-type: none"> SCI is responsible for food distribution. IDPs received food ration for 15 days on 20th January. CMC reported that Acton for Green Earth organization distributed dry fish, chilli, onion and garlic two times in a month. 	<ul style="list-style-type: none"> 106 households have not received food since 2013. New born babies are not entitled yet to receive food. SCI is collecting information and will discuss concerned stakeholders. 			
Health	<ul style="list-style-type: none"> MSF and Myanmar Health Assistant Association (MHAA) are providing health service in the camp as below: <table border="1" style="width: 100%; margin-top: 10px;"> <tr> <td style="width: 33%;">Agency</td> <td style="width: 33%;">Day</td> <td style="width: 33%;">Time</td> </tr> </table>	Agency	Day	Time	<ul style="list-style-type: none"> CMC Chairman requested to MHAA to assist elder and disable persons.
