

Upcoming Pediatric Orthopedic and Cardiac Surgery Missions

August and September 2017, La Chaîne de l'Espoir (CDE)

Information Sheet

Background

Founded in 1994 by Professor Alain Deloche and now chaired by Doctor Eric Cheysson, La Chaîne de l'Espoir (CDE, سلسلة الأمل) is a non-profit public health organization committed to providing access to healthcare for the most vulnerable children all over the world and help to develop local healthcare systems. La Chaîne de l'Espoir has provided pediatric orthopedic and cardiac surgical services for vulnerable refugee and Jordanian children performed by specialized teams in Jordan since November 2012. This program has been funded by European Union Humanitarian Aid (ECHO) since April 2016, and is implemented under the authority of the Ministry of Health of the Hashemite Kingdom of Jordan, with the collaboration of the French Embassy and an active network of healthcare providers in Jordan.
