

2018 June Statistical Dashboard

Inter-Agency
Coordination
Lebanon

The monthly dashboard summarizes the progress made by partners involved in the Lebanon Crisis Response Plan (LCRP) and highlights trends affecting people in need. Partners in Lebanon are working to: 1) ensure protection of vulnerable populations; 2) provide immediate assistance to vulnerable populations; 3) support service provision through national systems; and 4) reinforce Lebanon's economic, social, institutional and environmental stability. Reported progress towards targets is cumulative since January 2018, unless otherwise specified.

2018 Planning Figures

2.8 million
People targeted

1.5 million
Displaced Syrians

1.03 million
Vulnerable Lebanese

291,460
Palestine Refugees (PRS and PRL)

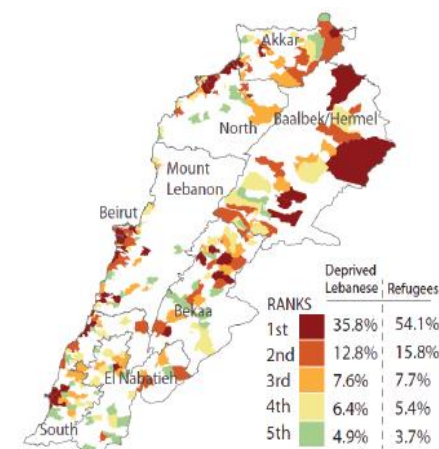

2018 Funding Requirements

US\$ 2.68 billion

Sector	Received + carry over (Jan - Jun)	Remaining Gap
Basic Assistance	99	542
Food Security	259	508
Education	187	367
Health	75	209
Water	45	250
Livelihoods	56	208
Protection	118	172
Shelter	24	137
Social Stability	43	110
Energy	1.0	98

251 Most Vulnerable Cadastres

Basic Assistance	This month:		Partners reporting	15
			Population reached	449,698
# of households receiving regular cash transfers (monthly target)*	90,312 /	238,700		
Total USD distributed in multi-purpose cash (Leb, Syr & Pal)	\$74.5m /	\$307.1m		
# of families receiving seasonal cash grants or vouchers	2,071 /	238,200		
Total USD distributed as seasonal multi-purpose cash (Leb, Syr & Pal)	\$676,800 /	\$175.4m		
Total USD amount injected into economy in forms of cash assistance (seasonal + regular)	\$75.1m /	\$482.5m		

* Vulnerable Lebanese, Syrian refugees and Palestine refugees. Population reached includes families targeted by UNICEF.

Syrian refugees < MEB (\$114/person/month) ²	76%
Syrian refugees < SMEB (\$87/person/month) ²	58%
Lebanese families receiving \$175 MPC grants	377
Palestinian families receiving \$100 MPC grants	9,368
Syrian families receiving \$175 MPC grants	62,522
Syrian families receiving child-focused grants*	-

*Child-focused grants: Min-ila + reaching schools cash grants from UNICEF.

Education	This month:		Partners reporting	27
			Population reached	5,256
# of children and youth whose registration fees for public formal education are partially or fully subsidised	426,672 /	457,682		
# of non-Lebanese children enrolled in formal basic public schools for the 2017-18 school year	40,390 /	75,000		
# of teachers and education personnel trained in schools	31,415 /	70,000		

% of school-aged refugees out of formal education in 2017 ³	59%
Non-Lebanese students in basic education enrolled in the first shift in 2017 ³	1 in 3
% of non-Lebanese among all students enrolled in first shift basic education in 2017 ³	32%
% of non-Lebanese among all students enrolled in public schools in basic education in 2017 ³	50%

Water	This month:		Partners reporting	19
			Population reached	12,994
# of affected people assisted with improved access to adequate quantity of safe water for drinking and domestic use [e.g. public water supply system improvements]*	30,176 /	1,319,000		
# of affected people assisted with improved access to safely managed wastewater services [e.g. public wastewater network augmentations]*	1,050 /	917,000		
# of affected people assisted with temporary access to adequate quantity of safe water for drinking and water for domestic use in temporary locations [monthly target; e.g. water trucking, on-site water treatment]	204,774 /	241,550		
# of affected people with access to improved safe sanitation in temporary locations [monthly target; e.g. installation of latrines, septic systems, desludging]	155,922 /	262,150		
# individuals who have experienced a WASH behaviour change session/activity	75,226 /	394,000		

*Activities may focus on one or several aspects of a system (e.g. improving the efficiency of the water supply through a network repair programme), but households may still not have safe water when needed.

% population in Lebanon without access to safely managed drinking water ¹⁸	64%
% of all Lebanon's sewage not receiving secondary (biological) treatment ⁸	97%
% Syrian refugee families with no access to improved drinking water sources ⁸	22%
% Syrian refugee families with no access to improved sanitation facilities ⁸	14%
% Syrian refugee families without access to private sanitation facilities ⁸	39%
% Syrian refugee families with no access to personal hygiene items ⁸	13%

Food Security	This month:		Partners reporting	17
			Population reached	715,515
# of vulnerable people reached with monthly food assistance through various modalities (monthly target)	715,515 /	899,143		
Total USD transferred as cash for food	\$118.3m /	\$345.0m		
# of farmers with enhanced farming production	1,391 /	21,693		
# of people supported for employment in the agriculture sector	407 /	2,000		
# of individuals supported for seasonal agricultural labor/casual labor	1,527 /	21,678		
# of people supported for improved nutritional practices	656 /	10,000		

% Syrian refugee families with some level of food insecurity ²	91%
% Syrian refugee families are moderately to severely food insecure ²	38%
% Syrian refugee families depending on food voucher/e-card for income source ²	40%
% Lebanese families vulnerable to food insecurity ⁴	10%
% Lebanese farmers in need of agriculture support ⁴	73%
% PRS population who is food insecure ⁵	95%

Energy	This month:		Partners reporting	1
			Population reached	40
# households benefitting from renewable energy equipment (solar water heaters, pico solar system, etc.)	0 /	196,575		
# municipalities or informal settlements provided with off-grid lighting	1 /	38		
# renewable energy power generation systems installed for communities and/or institutions	4 /	4		
# individuals reached through installation of necessary equipment to reinforce the distribution network	18,270 /	277,140		

Power generation required to cater for the daily electricity needs of displaced Syrians ¹⁵	486 MW
Power added to the grid since 2010 by MoEW	715 MW
Percentage of energy supplied to displaced Syrians out of total energy supplied in Lebanon ¹⁵	33%

Health	This month:	Partners reporting	21
		Population reached	66,623
# of subsidized primary health care consultations provided		873,652 /	2,152,000
# of persons assisted with their hospital bills		45,761 /	127,226
# of staff receiving salary support at MoPH central and peripheral levels		0 /	112

% Syrian refugees not able to access needed primary healthcare in past 6 months ²	11%
% Syrian refugees unable to access needed secondary healthcare in past 6 months ²	24%
Syrian refugee families' monthly health-related expenditure ²	\$52
Syrian refugee families' monthly health-related expenditure share ²	13%

Livelihoods	This month:	Partners reporting	26
		Population reached	2,144
# micro, small & medium enterprises (MSME) & cooperatives supported through increased access to financial services, in-kind & cash grants		173 /	3,090
# of targeted vulnerable people working on public infrastructure / environmental assets upgrading		2,069 /	37,650
# people trained and/or provided with marketable skills and other types of services		16,442 /	31,000

% of Lebanese families registered with NPTP with access to full-time employment ⁶	13%
% of Syrian refugee families living below the poverty line ²	76%
% of Syrian children at work ⁷	17.5%
% of Lebanese children at work ⁷	5%

Protection	This month:	Partners reporting	30
		Population reached	82,882
# of individuals benefitting from legal counseling, assistance and representation regarding legal stay		13,539 /	40,000
# of individuals benefitting from counseling, legal assistance and representation for civil registration (birth registration, marriage)		32,620 /	91,000
# of individuals benefitting from community-based interventions		17,038 /	67,640
# of individuals trained, supported, and monitored to engage in community-based mechanisms		1,878 /	5,201
# of individuals with specific needs receiving specific support (non-cash)		8,535 /	16,000
# of women, girls, men and boys at risk and survivors accessing SGBV prevention and response services in safe spaces		23,167 /	140,000
# of women, girls, men and boys sensitized on SGBV		29,534 /	286,750
# of boys and girls receiving case management services and assisted through Child Protection focused psychosocial support		6,112 /	24,000
# of caregivers engaged in activities to promote wellbeing and protection of children		16,437 /	29,262
# of boy and girls boys engaged in community-based Child Protection activities		51,609 /	91,445

Total registered Syrian refugees ¹	982,012
% of Syrian refugees who are women and children ²	80.5%
% of Syrian refugee families reporting that all members have legal residency permits ²	19%
% of families reported having at least one member with specific needs ²	66%
# of individuals participating in activities in community centres and SDCs (2017) ⁹	19,742
# of institutional actors trained who demonstrate increased knowledge of SGBV (2017) ⁹	1,779
# of partners and government staff provided with general training on child protection and children's rights (2017) ⁹	387

Shelter	This month:	Partners reporting	11
		Population reached	27,529
# of people benefitting from weatherproofing and/or maintenance of makeshift shelters within informal settlements, residential and non-residential buildings		53,672 /	208,800
# of people benefitting from rehabilitation, upgrade or repair of substandard buildings into adequate shelters		19,133 /	297,164
# of people benefitting from upgrade of common areas within substandard residential buildings		0 /	30,000
# of people received fire-fighting kits and awareness sessions in informal settlements and substandard buildings		30,771 /	300,000

# of assessments and profiles of (mainly poor urban) neighbourhoods (target: 15)	3
% of Syrian refugee families living in substandard shelter conditions ²	53%
% of Syrian refugee families living in informal settlements ²	17%
% of Syrian refugee families living in non-residential buildings (worksites, garages, etc.) ²	9%
Average cost for rent per household for Syrian refugees ²	\$183

Social Stability	This month:	Partners reporting	14
		Population reached	165
# community and municipal support projects implemented to alleviate resource pressure and reduce tensions		44 /	300
# new dispute resolution and conflict prevention mechanisms established		73 /	28
# youth and children engaged in social stability initiatives		9,684 /	35,000

% people who agree presence of Syrian refugees places too much strain on Lebanon's resources (e.g. water, electricity) ¹⁰	90%
# cadastres identified as most vulnerable ¹¹	251
# of vulnerable cadastres where population has increased by 50% or more ¹¹	114
% people who believe Lebanese people have been good hosts to refugees since 2011 ¹⁰	91% ¹³
% people reporting 'no tensions' between Lebanese and Syrians in their area ¹⁰	3% ¹⁴
