OVERVIEW

Pugnido 2 was opened on 25 August 2015. It was established to host South Sudanese refugees who arrived in Ethiopia during the second quarter of 2015 and were residing in transit centers at Matar, Burbiyey and Pagak entry points. The relocation from Matar took place from August 2015 to January 2016.

RECENT DEVELOPMENTS

The camp is at care and maintenance phase. The last time refugees received in and settled was in early 2016. There has not been recent relocation of refugees since.

WORKING WITH PARTNERS

UNHCR provides protection and services to refugees in **Pugnido II** in collaboration with:

- **Administration for Refugee and Returnee Affairs (ARRA)** - In representation of Ethiopian government - Camp Management and Security; Primary Health Care; Food and CRIs Distribution; Logistics.

MAIN ACTIVITIES

HEALTH

Health clinics are available for refugees and host communities wherein they receive medical care, including:

- Health services, including vaccination and anti-malaria campaigning activities
- Reproductive health and HIV/AIDS services
- Support to health centers with drugs and medical equipment.

NUTRITION

Refugees have access to infrastructure and receive nutritional support, including:

- Provision of supplementary and therapeutic feeding as well as promotion of child and maternal feeding practice (includes plumpy nuts)

WASH

- Refugees have access to 22.36 litres of potable water per person per day.
- Management and monitoring of existing water systems, and borehole drilling
- Sanitation and Hygiene promotion
- Construction and maintenance of family latrines and refuse pits
- WASH related capacity building
- Emergency water supply and sanitation

PROTECTION & COMMUNITY SERVICES & REGISTRATION

UNHCR and its partners provide protection to refugees and promote durable solutions to their plight through:

- Camp management and security
- Support for person with disability and other vulnerable groups
- Child Protection
- SGBV prevention, response services and capacity building
- Education and livelihood for more self-reliance
- Capacity Building on Refugee Protection to Partners, Local Authorities and Refugee Structures

SHELTER

- 35% of the households have received transitional shelter support with the rest of the population living under emergency shelter conditions. Combined efforts are ongoing to provide more households with adequate shelter.

CORE RELIEF ITEMS

- Core Relief Items - sleeping mats, kitchen sets, soap and sanitary materials - are distributed to refugees.

LOGISTICS & SITE PLANNING

- Refugees are transported and relocated from border areas and to the camps. In addition, the camp layout is conducted. Pugnido II camp is comprised of six zones (A, B, C, D, F and H).

EDUCATION

- Currently, the ECCD including 3 CFS are opened and run by Plan International. Primary School from Grade 1-8 run by ARRA are functional.

ENVIRONMENT

UNHCR and its partners seek to reduce the environmental negative impact in areas hosting refugees through:

- Forest and environmental protection and capacity building on environmental protection.

FOOD

- On a monthly basis, food is supplied, transported and distributed to all refugees. General food basket includes cereals (10 kg), pulse (1. kg) and vegetable oil (0.45 kg), CSB++ (1kg), Salt (0.15kg).
