

Nova Canaã

Boa Vista, Roraima State, Brazil

Lat. 2°48'50.59"N Long. 60°44'5.17"W

Summary

Economic instability and civil unrest have led to the displacement of Venezuelans to neighbouring countries, with more than 50,000 currently living in Brazil. This profile provides an overview of conditions in Nova Canaã site. Population figures reported are based on registration data provided by UNHCR. Additional information collected through key informant interviews (KIs) with actors working on the site has been used to support findings.

Site overview

of individuals: 378
of households: 125
Date opened: 25/04/2018
Planned capacity: 390
